With Expansion Pack 2 software — designed exclusively for RealFlight G3 — you have 21 more reasons to fly your favorite R/C flight simulator.

Explore two new 3D flying sites packed with lifelike, ever-changing detail. Survey an ancient Aqueduct. Race solo through the Obstacle Course 3, or use G3's Multiplayer to challenge a friend.

Master indoor maneuvers at the E-Fest Arena — a stunning new PhotoField environment with extraordinary definition and clarity!

Expansion Pack 2 also includes 18 new photo-realistic planes and helicopters. RealPhysics™ technology duplicates the performance of their real-world counterparts.
